

You are invited to eStage!

What is eStage?

PNC ArtsAlive presents *Carpe Diem eStage* is a new series of live streaming musical events showcasing Carpe Diem String Quartet and guests in specially-designed musical programs that are fun, informative and relevant to core academic subjects that all students are studying.

These events are not only for viewing, but for interacting as well! Viewers can chat in real time and ask questions that Carpe Diem will respond to during the webcast. All events will take place in front of a live audience, and we invite you to become part of our "virtual" live audience.

*****Our next broadcasts: December 6, 2013*****

Alton Darby Elementary, Hilliard, OH

9:20 am, 10:05 am, and 10:50 am

*****Following the live broadcasts, the recorded programs may be viewed by going to www.cdsq.org*****

Ancient Sounds and Folklores

Evoking the mystical sounds of the Andes and the lavish and dreamy music of Imperial Russia, Carpe Diem String Quartet will explore the folk instruments and sounds of Peru and show how they inspired the work: "Leyendas: An Andean Walkabout" by Gabriela Frank. Juxtaposed to the rustic and multi-phonic sounds of Leyendas will be the rich harmonies, melodies, and dances of romantic Russia. Sergei Taneyev's 9th quartet brings to life many of the magical fairytales of the East. Specters of popular Russian fairytales, of Clara and the Nutcracker Prince, mix with those of legendary Chasqui runners and criers of the Incan Empire in this December sonic extravaganza.

This program will stimulate students' curiosity about geography, history, folklore and music in faraway cultures.

Come be a part of the last eStage show of the year!
